MEMORANDUM FOR: Project Director  
ATTENTION : Mr. James Q. Reber  
THROUGH : Deputy Director/Intelligence  
SUBJECT : Request for Project Clearance: Mr. George D. Monk

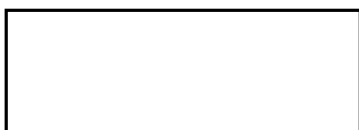

1. It is requested that Project AQUATONE and TALENT clearances be established for Mr. George D. Monk, Intelligence Specialist, Intelligence Division, Atomic Energy Commission.

2. As a specialist in the Intelligence Division, Mr. Monk's services are vital in exploiting fully the recently acquired AQUATONE data of highest priority in the field of nuclear energy intelligence. In view of the relatively small size of the unit, and the large current work load it is essential that Mr. Monk be cleared in order to provide continuity of A.E.C. support and guidance to Project operational planning and exploitation of TALENT material related to atomic energy.

3. Mr. Monk has been granted "Q" and Special Intelligence clearances.
